

Decision-Making Template

Assess your alternatives and gain confidence in your choice by aligning it with your priorities

What **decision** do I need to make?

My **top priorities** when making this decision

Extremely important:	Moderately important:	Somewhat important:
----------------------	-----------------------	---------------------

Option	Consequences <small>(positive and negative ones)</small>	Probability <small>(how likely is it?)</small>	My assumptions <small>(and uncertainties)</small>
Option A:			
Option B:			
Option C:			

What is my **choice**? How does it align with my priorities?
